"GRAFT" IN CHICAGO.

City Council Votes to Set Spies on
Municipal Employees.

Chicago, Oct. 7.—After hearing an
explanation from Mayor Harrison con-
cerning the municipal "graft" charges
the Chicago city council voted to es-
tablish a system of espionage over the
city employees. It also appointed a
committee of nine aldermen to conduct
an investigation of the city depart-
ments.

Three confidential agents, or detec-
tives, it is provided by the action of
the aldermen shall be employed by the
civil service commission, to be assign-
ed in different departments at different
times and to furnish the commissioners
with information which may lead to
the detection of dishonest employees.
In this way the council proposes to
make discharge for "graft" possible
even under the present rigid civil ser-
vice laws requiring proof.
